Remarks: Bill: Attached for your information are copies of the final versions of the answers to the questions posed by the House Appropriations Committee on the DDA FY 1979 program. As you can see, we changed slightly some of the answers you provided to make them generally consistent with the manner of response for all questions posed to the Agency; however, in general, we used essentially what you and your offices provided. While I see no burning need to pass these along to your offices, I leave this to your discretion. Our principal purpose in making these available to you is simply to ensure that the DDA knows precisely what the HAC was told about your program.
